INSTRUCTIONS

Employee instructions

Complete the SC W-4 so your employer can withhold the correct South Carolina Income Tax from your pay. If you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Determine the number of withholding allowances you should claim for withholding for 2022 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Consider completing a new SC W-4 each year and when your personal or financial situation changes. This keeps your withholding accurate and helps you avoid surprises when you file your South Carolina Individual Income Tax return.

For the latest information about South Carolina Withholding Tax and the SC W-4, visit dor.sc.gov/withholding.

Exemptions: You may claim exemption from South Carolina withholding for 2022 for one of the following reasons:

- For tax year 2021, you had a right to a refund of **all** South Carolina Income Tax withheld because you had **no** tax liability, **and** for tax year 2022 you expect a refund of **all** South Carolina Income Tax withheld because you expect to have **no** tax liability.
- Under the Servicemembers Civil Relief Act, you are claiming the same state of residence for tax purposes as your military servicemember spouse. You are only in South Carolina, or a bordering state, to be with your military spouse who is serving in the state in compliance with military orders. Provide your employer with a copy of your current military ID card and a copy of your spouse's latest Leave and Earnings Statement (LES). Your military ID card must have been issued within the last four years. The assignment location on the LES must be in South Carolina or a bordering state. Enter your spouse's state of domicile on the line provided.

If you are exempt, complete **only** line 1 through line 4 and line 7. Check the box for the reason you are claiming an exemption and write **Exempt** on line 7. Your exemption for 2022 expires February 15, 2023. If you are a military spouse and you no longer qualify for the exemption, you have 10 days to update your SC W-4 with your employer.

Filers with multiple jobs or working spouses: You will need to file an SC W-4 for each employer. If you have more than one job, or if you are married filing jointly and your spouse is also working, you may want to consider only claiming allowances on the SC W-4 for the highest earning job and/or adding additional withholding on line 6 to ensure you are having enough withheld.

Nonwage income: If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making Estimated Tax payments using the SC1040ES, Individual Declaration of Estimated Tax, or adding additional withholding from this job's wages on line 6. Otherwise, you may owe additional tax. Find the SC1040ES with instructions at dor.sc.gov/forms. The fastest, easiest way to pay Estimated Tax payments is using our free, online tax portal, **MyDORWAY**, at dor.sc.gov/pay. Select **Individual Income Tax Payment** to get started. Do not mail a paper copy of the SC1040ES if you pay online.

Once you've logged in, select the **More** tab, then click **Upload W-2s** listed under the **Other** section.

Worksheet instructions

Personal Allowances Worksheet: Complete the worksheet on page 3 to determine the number of withholding allowances to claim.

- **Line C: Head of household** - Generally, you may claim the head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. For more information on filing status, refer to IRS Pub. 501 at irs.gov.
- **Line E: Dependents** - The total number of dependents claimed on your South Carolina return must equal the number of dependents claimed on your federal return. This includes qualifying children and qualifying relatives. Enter the total number of eligible dependents.
- **Line F: Dependents under the age of 6** - Enter the number of dependents from line E who have **not** reached the age of six by December 31, 2022.

Enter the total from line G of this worksheet on line 5 of the SC W-4.

Deductions, Adjustments, and Additional Income Worksheet: Complete this **optional** worksheet if you plan to itemize or claim adjustments to income and want to reduce your withholding, or if you have a large amount of nonwage income not subject to withholding and want to increase your withholding.

- **Reduce withholding:** Complete this worksheet to determine if you are able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you reduce your withholding, your refund at the end of the year will be smaller, but your paycheck will be larger.
- **Increase withholding:** You can also use this worksheet to determine how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income not subject to withholding, such as interest or dividends.

Enter the total from line 10 of this worksheet on line 5 of the SC W-4.
