INSTRUCTIONS

Employee Instructions

Complete the SC W-4 so your employer can withhold the correct South Carolina Income Tax from your pay. If you have too much tax withheld, you will receive a refund when you file your South Carolina Individual Income Tax return.

Determine the number of withholding allowances you should claim for withholding for 2024 and any additional amount of tax to be withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Consider completing a new SC W-4 each year and when your personal or financial situation changes. This keeps your withholding accurate and helps you avoid surprises when you file your South Carolina Individual Income Tax return.

For the latest information about South Carolina Withholding Tax and the SC W-4, visit dor.sc.gov/withholding.

Exemptions. You may claim exemption from South Carolina withholding for 2024 for one of the following reasons:

- For tax year 2023, you had a right to a refund of all South Carolina Income Tax withheld because you had no tax liability, and for tax year 2024 you expect a refund of all South Carolina Income Tax withheld because you expect to have no tax liability.
Under the provisions of the Veterans Auto and Education Improvement Act, you are a military servicemember or a military servicemember's spouse who is electing for tax purposes to use the domicile state of the servicemember, the domicile state of the spouse, or the permanent duty station of the servicemember as your state of domicile.

If you are exempt, complete only line 1 through line 4 and line 7. Check the box for the reason you are claiming an exemption and write Exempt on line 7. Your exemption from withholding expires on December 31, 2025, unless a new SC W-4 is submitted to the employer.

If the state of domicile changes during the year, the servicemember and/or spouse should provide the employer with an updated SC W-4 to ensure the employer withholds the correct amount of Income Taxes for the remainder of the tax year.

Filers with multiple jobs or working spouses: You will need to file an SC W-4 for each employer. If you have more than one job, or if you are married filing jointly and your spouse is also working, you may want to consider only claiming allowances on the SC W-4 for the highest earning job and/or adding additional withholding on line 6 to ensure you are having enough withheld.

Non-wage income: If you have a large amount of non-wage income not subject to withholding, such as interest or dividends, consider making Estimated Tax payments or adding additional withholding from this job's wages on line 6. Otherwise, you may owe additional tax. The fastest, easiest way to make Estimated Tax payments is using our free online tax portal, MyDORWAY, at [dor.sc.gov/pay](http://dor.sc.gov/pay). Select Individual Income Tax Payment to get started. If you are unable to make an Estimated Tax Payment on MyDORWAY, use the SC1040ES, available at [dor.sc.gov/forms](http://dor.sc.gov/forms). Do not mail a paper copy of the SC1040ES if you pay online.

All employers reporting South Carolina wages or withholdings must submit W-2 forms directly to the SCDOR. Submitting W-2 forms to the Social Security Administration does not meet this requirement. The fastest, easiest way to submit W-2 forms is using our free online tax portal, MyDORWAY, at [MyDORWAY.dor.sc.gov](http://MyDORWAY.dor.sc.gov). Log in to your existing account or create an account to get started. Once you've logged in, select the More tab, then click Upload W-2s listed under the Other section. Employers can also submit W-2c, W-2G, 1099-R, 1099-NEC, and 1099-MISC on MyDORWAY. Follow the previous steps. Under the Other section, select the form type you wish to upload.

#### Worksheet Instructions

Personal Allowances Worksheet: Complete the worksheet on page 3 to determine the number of withholding allowances to claim.

- Line C: Head of household - Generally, you may claim the head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. For more information on filing status, refer to IRS Pub. 501, available at [irs.gov](http://irs.gov).
- Line E: Dependents - The total number of dependents claimed on your South Carolina return must equal the number of dependents claimed on your federal return. This includes qualifying children and qualifying relatives. Enter the total number of eligible dependents.
- Line F: Dependents under the age of 6 - Enter the number of dependents from line E who have not reached the age of six by December 31, 2024.

Enter the total from Line G of this worksheet on Line 5 of the SC W-4.

Deductions, Adjustments, and Additional Income Worksheet. Complete this optional worksheet if you plan to itemize or claim adjustments to income and want to reduce your withholding, or if you have a large amount of non-wage income not subject to withholding and want to increase your withholding.

- Reduce withholding. Complete this worksheet to determine if you are able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you reduce your withholding, your refund at the end of the year will be smaller, but your paycheck will be larger.
- Increase withholding. You can also use this worksheet to determine how much to increase the tax withheld from your paycheck if you have a large amount of non-wage income not subject to withholding, such as interest or dividends.

Enter the total from Line 10 of this worksheet on Line 5 of the SC W-4.
